Health: All pets must be in good health. By signing this form, you (the owner) are stating your pet is in good health and has not been ill with a communicable condition in the last 30 days. Upon admission, all pets must be free of any condition which could potentially jeopardize other guests.

Vaccination/Parasite Requirements: All dogs are required to be current on Dhpp, Bordetella and Rabies. We highly recommend your pets to be vaccinated two weeks prior to boarding. Although we highly recommend cats to be fully vaccinated, the FVRCP is the one vaccine required. Though we take all possible precautions and require the best possible protection (bordetella vaccine is required every 6 months), there is still a possibility your pet may get kennel cough while boarding. All pets must be free of internal and external parasites. If parasites are found on or within your pet, they will be treated at your expense without authorization.

Life Threatening Emergencies/Illnesses: Although we try to maintain a safe and healthy environment for your pet during boarding, it is possible that your pet may become ill or injured. If your pet should become ill while boarding, he/she will be treated by our hospital personnel and you will be charged accordingly. We will do our best to contact you.

In Case of Illness or Emergency, I authorize MVSAH to treat up to $_____ without contacting me first. After this amount MVSAH will need to contact me for further consent.

Release of Liability: I understand and agree that MVSAH and their staff will not be liable for any problems which develop, provided reasonable care and precautions are followed, and I hereby release them of any liability of any kind whatsoever arising from my pets attendance at boarding. MVSAH claims no responsibility for injuries sustained to you or your pet while at our facility. MVSAH will use all reasonable precautions against injury, escape or death of my pet.

Payment: Payment is due at the time services are rendered. Payment for holiday boarding and Sunday pick-up boarding is due at the time of drop-off. Charges start on the day the pet is dropped off regardless of the time. If your pet is picked up by noon you are not charged for that day. For standard boarding, there is a $5 charge every time medication is administered. Holiday rates will be enforced when applicable and a $50 deposit is mandatory to hold your holiday reservation. Holiday boarding requires a minimum of two nights stay and upon arrival a 48 hour cancellation is required to shorten your pet's boarding reservation.
